

MASTER OF ARTS IN THEOLOGY

PROGRAM GUIDE

IUDI's Master of Arts (MA) in Theology degree program imparts a deep understanding of Christian theology, scripture, and ministry practices, all through a lens of personal and community transformation. The program explores the rich theological traditions of Christianity from an Evangelical perspective.

With a focus on both academic rigor and practical application, learners will develop a comprehensive understanding of biblical texts, Christian history, and systematic theology, preparing them to serve as informed leaders in Christian communities. Graduates of the MA in Theology will be well-equipped to lead, teach, and serve in a variety of ministerial contexts.

Our Educational Model: Flexibility and Empowerment

At IUDI, our fully online, asynchronous model lets you study at your own pace, from anywhere. With no fixed schedules or enrollment deadlines, you can start anytime and balance your studies with your personal, family, and work commitments.

A Curriculum Designed for Leaders and Practitioners

Our learner-centered approach empowers students to become transformational leaders and effective practitioners. We employ a flipped classroom model, where students take responsibility for their own learning without professor-led instruction. Interactive coursework, case studies, and practical projects develop critical thinking and servant leadership for real-world impact.

Modular Learning for Seamless Progression

Our curriculum is organized into modules that focus on building specific skills. Start with any course in a module and complete all the courses to unlock the next one. Plus, you only need to pay for one module at a time, giving you the financial flexibility to plan and manage your education at your own pace.

Moodle: Our Digital Campus

Moodle is IUDI's online learning platform designed to support and enhance your educational journey. It serves as your central hub for accessing course materials, participating in discussions, submitting assignments, and tracking your progress.

Our Accreditation

IUDI is accredited by the Association of Independent Christian Colleges and Seminaries (AICCS) in the United States. IUDI's Theology degree programs are also accredited by Conseil des Initiatives Théologiques en Afrique (CITAF).
